

Valley Fire & Rescue Quarterly Report

Quarter 2 – 2024

Mission:

The members of the Valley Fire & Rescue Inc. department shall strive to protect the lives and property of the citizens of the communities through fire suppression services, pre-fire planning, and public education. We will serve these communities to the best of our abilities and training. We are committed to continuously improving our understanding of the communities of Valley Fire & Rescue Inc. in the State of West Virginia, Mason County.

Vision:

At Valley Fire & Rescue, we envision a future where our commitment to excellence is the driving force behind a safer and more resilient community. Our goals of enhancing productivity, performance, collaboration, and interpersonal relationships form the foundation of a united and high-performing team.

In this vision, Valley Fire & Rescue is synonymous with innovation and efficiency. We strive for a culture of continuous improvement, where every member is dedicated to ongoing learning, development, and compliance. Our collective pursuit of knowledge ensures that we stay ahead of emerging challenges and remain at the forefront of cutting-edge firefighting and rescue techniques.

As a beacon of progress, we are dedicated to creating a comprehensive recruitment plan. We attract and onboard new members strategically, ensuring that our team reflects the diversity, skills, and passion needed to excel in our mission. Valley Fire & Rescue becomes not only a place of service but a community where every individual is valued, respected, and empowered to contribute their unique strengths.

Our vision extends beyond firefighting; it encompasses a holistic approach to community safety and well-being. Valley Fire & Rescue is a trusted partner, actively engaging with the community to build lasting connections. Together, we forge a future where the goals of enhancing productivity, performance, collaboration, and interpersonal relationships are not just met, but surpassed, creating a legacy of excellence for generations to come.

Words from the Chief:

As the first half of the year has closed, we are settling into a good rhythm with our new administration, we have faced multiple challenges. I am proud of our membership for stepping up and making great things happen. The team effort amongst the county departments to get the Fire & EMS levy renewed will allow us to continue our planned growth and improvements. Our counties overall commitment to public safety is showing much needed improvement. Our membership is continually stepping up to achieve our goals as an organization and fulfill our vision. I would like to personally thank them for all they do to make this organization function.

Accomplishments:

We are now on LinkedIn. [linkedin.com/company/valley-fire-rescue-wv](https://www.linkedin.com/company/valley-fire-rescue-wv)

Quarterly reports and monthly business meeting minutes are now available on our website.

Our Chief officers rewrote the Mason County Fire Department Billing Authorization, proposed it to the County Commission and they are reviewing it. This will increase our cost recovery effectiveness and improve funding flow for maintenance and new equipment purchases. This additional funding will decrease our overall needs and increase our effectiveness.

Upcoming:

- We have an upcoming fundraiser lunch to benefit our training center on August 3, at 11:00 am.

- We have an upcoming fundraiser lunch to benefit our training center on October 5, at 11:00 am.
- On August 24th, from 8:00pm to 12:00am we are conducting nighttime live fire training for our department and our automatic and mutual aid departments.
- September 3rd, we will host West Virginia Public Service Training for an Incident Safety Officer course. This course will run from 1800-2200 every Tuesday of the month. This is a course all members must attend within 3 years of joining our department.
- In September we will host West Virginia Public Service Training for a 1403 Live Fire Instructor course with Instructors from Parkersburg Fire. Dates TBD.
- October 5-6 we will host West Virginia Public Service Training for NFPA 1006 Vehicle Rescue Awareness & Operations with Instructor Darin Virag.
- October 19-20 we will host West Virginia Public Service Training for NFPA 1006 Vehicle Rescue Technician with Instructor Darin Virag.
- We are seeking sponsors for both Vehicle Rescue courses.
- November is our CPR renewal month. We will conduct at least 2 CPR courses, one on the weekend and one on a Monday evening.
